

The **toughest**  
hardcoat yet.

**Armour Hardcoat provides your lenses with greater durability and protection against scratches and general wear-and-tear.**

Armour Hardcoat combines the benefits of Skeye Multicoat (easy to clean, clearer vision, improved night vision & cosmetically enhancing) with a **tough, scratch-resistant, water repellent and anti-fogging hard coat.**

### Hydrophobic Top Coat.

Armour Hardcoat features a hydrophobic top coat that **repels substances** such as oil and water **from the surface of the lens.**

Acting as a shield, Armour Hardcoat forces droplets to bead and run off the lens, leaving it clean and clear.

Resists stains & fingerprints, so lenses stay clear for longer and be much quicker and easier to clean.

### Tough as Armour.

**Outstanding protection against scratches from everyday handling.**

Armour Hardcoat provides exceptional protection against scratches and damage - designed especially to stand up to the rigours of everyday life.
