

Precision for every function.

ECOVIEW
PROGRESSIVE LENS

Your Essential Outdoor Vision Companion

The **EcoView** outdoor progressive lens is a reliable eyewear solution that has been expertly engineered to enhance vision outdoors. It is built on Opticare's Digital Intelligence Technology (DIT), which delivers a clear and comfortable view with well-balanced transition zones and expansive visual fields. This innovative technology emphasises a wide and highly comfortable distance area with steep curves that minimise peripheral cylinder powers.

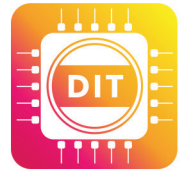

Whether you're hiking, cycling, or simply enjoying the beauty of the great outdoors, EcoView is the ideal choice for anyone who wants to see the world clearly and confidently.

- ✓ Improve distance (far) vision
- ✓ Extended comfort and visual precision in outdoor settings
- ✓ Easy adaptation between zones
- ✓ Tailored to individual needs for optimal performance in varied environments

Technology

DIT (Digital Intelligence Technology): Precision meets innovation with extraordinary optical quality and exceptionally low unwanted astigmatism.

Design Specifications

Available corridor length: 7 mm, 9 mm
