

Precision for every function.

Indoor

ESSENTIAL

PROGRESSIVE LENS SERIES

A Reliable Choice for Near Vision Performance

Designed to provide a cost-effective solution for seamless near vision, **Essential Indoor** brings you a reliable progressive lens, ensuring superb image stability and minimal distortion. With a focus on clarity, comfort, and adaptability, Essential Indoor is perfect for those transitioning from hard designs and seeking a budget-friendly option for near vision. If you're a first-time progressive lens wearer looking for an economical choice, Essential Indoor delivers a reliable solution without breaking the bank.

- ✓ Stable near vision
- ✓ Comfortable adaptation
- ✓ Exceptional clarity in near-distance vision
- ✓ Value for money solution
- ✓ Unmatched comfort throughout extended use

Technology

DIT (Digital Intelligence Technology): Precision meets innovation with extraordinary optical quality and exceptionally low unwanted astigmatism.

DAT (Digital Adaptation Technology): Maximal precision, minimal distortion, and immediate wearer adaptation for the thinnest lenses and widest optical fields.

PGT (Power Gradient Technology): Experience brilliance in vision with advanced design optimisation, clear optics, and wide fields of view.
