

Precision for every function.

Lifestyle

ESSENTIAL

PROGRESSIVE LENS SERIES

## Where Practicality Meets Superb Visual Performance

**Essential Lifestyle** is an everyday lens product offering a budget-friendly solution for presbyopes with versatile lifestyles. Crafted for those on the move or with a preference for indoor activities, Essential Lifestyle employs three design modeling technologies - the DAT, DIT, and PGT technologies, ensuring essential visual needs are met with efficiency. It also delivers digital binocular performance, totally eliminating blur and distortion. It is the affordable choice for clear vision, comfort, and superb performance and is a good entry-level lens option.

- ✓ Clear comfortable vision with easy adaptation
- ✓ Soft design with wide visual zones
- ✓ Perfect solution for day-to-day activities
- ✓ Visual harmony resulting in effortless focus and consistent stability
- ✓ Ideal for frequent electronic device use

## Technology

**DIT (Digital Intelligence Technology):** Precision meets innovation with extraordinary optical quality and exceptionally low unwanted astigmatism.

**DAT (Digital Adaptation Technology):** Maximal precision, minimal distortion, and immediate wearer adaptation for the thinnest lenses and widest optical fields.

**PGT (Power Gradient Technology):** Experience brilliance in vision with advanced design optimisation, clear optics, and wide fields of view.
