

Precision for every function.

Office

ESSENTIAL

PROGRESSIVE LENS SERIES

Your Affordable Near View Lenses

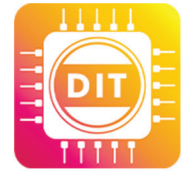

Essential Office is a near view lens designed to cater to individuals with multiple near tasks at various distances. Powered by Digital Intelligence Technology and tailored for affordability, convenience, and optimal performance, Opticare Office offers four distinct shifts to meet the diverse needs of users engaged in intermediate occupational activities.

- ✓ Four distinct shifts ensuring adaptability to various near tasks
- ✓ Low unwanted astigmatism enhances the overall visual experience
- ✓ Provides a significant reduction in digital eye strain symptoms even during prolonged activities requiring near focus

Technology

DIT (Digital Intelligence Technology): Precision meets innovation with extraordinary optical quality and exceptionally low unwanted astigmatism.
