Optilux UltraClear Benefits

- ✓ Enhanced focus and reduced eyestrain
- ✓ Outstanding far-distance clarity
- ✓ Maximum comfort
- ✓ Smooth adaptation across different zones
- ✓ Tailored, personalised lenses

Technology behind Optilux UltraClear

DIT (Digital Intelligence Technology): Precision meets innovation with extraordinary optical quality and exceptionally low unwanted astigmatism.

IIT (Intelligent Individualisation Technology): The culmination of our cutting-edge technologies delivering an unparalleled optical experience, combining precision, innovation, and adaptability for wearers across diverse visual needs and ages.

DAT (Digital Adaptation Technology): Maximal precision, minimal distortion, and immediate wearer adaptation for the thinnest lenses and widest optical fields.

PGT (Power Gradient Technology): Experience brilliance in vision with advanced design optimisation, clear optics, and wide fields of view.
