

Your gateway to comfortable vision.

START PROGRESSIVE

Balanced Visual Fields for a Comfortable and Natural Visual Experience

Start Progressive is Opticare's recommended balanced progressive lens, ideal for all kinds of office work that requires well-balanced visual fields. It is powered by the Digital Intelligence Technology (DIT) which ensures an even distribution of weight across all visual fields, creating a seamless transition to both near and far astigmatism areas. There is minimal distortion resulting to a low unwanted astigmatism.

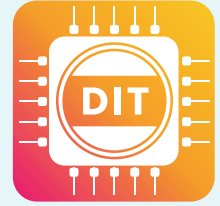

- ✓ Balanced Progressive Lens Design
- ✓ Optimised visual fields
- ✓ Clear and comfortable view
- ✓ Budget-friendly without compromising on quality and performance
- ✓ Fully customisable to meet the individual needs of the wearer

TECHNOLOGY

DIT (Digital Intelligence Technology)

Precision meets innovation with extraordinary optical quality and exceptionally low unwanted astigmatism.
